- Member person entitled (Admitted 2001)
- Member of reading committee (Admitted 2004)
- Co-chairman of trauma study group (Elected 2017-2021)
- Treasurer (2018-2022)

#### **Orthopaedics and Traumatol : Surgery and Research journal**

- Member of reading committee (Admitted 2004)

**2004** : Organization of the annual congress for nurses of the French Society in Pediatric Orthopedic surgery (« **The infections in Pediatric Orthopedic surgery** »)

**2009** : Organization of the annual congress for MD of the French Society in Pediatric Orthopedic surgery (« **Deformities of the lower limbs** »)

**2013** : Co- Organization of the annual congress of the **Scoliosis study group**

**2019** : Organization of the annual congress of the French Society in Pediatric Orthopedic surgery (« **Research and new technology in pediatric orthopedic surgery** »)

## *Fellowship*

---

*November 1992 - April 1997:*

Fellow in pediatric orthopedic surgery department, (Professor RIGAULT), Hôpital Necker Enfants Malades, Paris. University Paris V

*November 1995 :*

Admitted as national consultant in pediatric surgery (Rank : 1er).

*May 1997 - May 2001 :*

Consultant in pediatric orthopedic surgery department (Professor RIGAULT then Professor POULIQUEN), Hôpital Necker Enfants Malades, Paris, Université Paris V

*February 1999 - March 1999:*

Visiting clinician in Mayo Clinic Foundation (Rochester, Minnesota)  
(Professeur P.W. COONEY, Professeur P. AMADIO)

*May 2001- November 2002 :*

Consultant in pediatric orthopedic surgery department, Le Mans Hospital (72000, France)

*November 2002-September 2003 :*

Consultant in pediatric orthopedic surgery department (Pr. Lascombes). Children Hospital, Nancy.

*Septembre 2003 until now:*

Professor of pediatric surgery, pediatric orthopedic surgery department Children Hospital, Nancy.

## *Publications*

---

Director of thesis: 25

Oral english communications: 70

Oral french communications: 203

English Publications: 63

French Publications: 124

---

### *LISTING of PUBLICATIONS 2015-2020*

---

#### **Indexed Publications**

Skeletal Radiol. 2015;44:197-206

The normal radiological anteroposterior alignment of the lower limb in children.

(POPKOV D, LASCOMBES P, BERTE N, HETZEL L, BAPTISTA BR, POPKOV A, JOURNEAU P.)

Eur J Orthop Surg Traumatol. 2015;25:997-1004

Resorbable osteosynthetic devices in pediatric traumatology: a prospective series of 24 cases.

(POIRCUITTE JM, POPKOV P, HUBER DH, POLIRSZTOK E, LASCOMBES P, JOURNEAU P.)

Foot Ankle Int. 2015; 36 :1369-77

Gradual Metatarsal Lengthening by External Fixation: A New Classification of Complications and a Stable Technique to Minimize Severe Complications.

(BARBIER D, NERETIN A, JOURNEAU P., POPKOV D).

Ann Endocrinol. 2016;77:7-13.

« McCune-Albright syndrome, natural history and multidisciplinary management in a series of 14 pediatric cases. »

(AGOPIANTZ M, JOURNEAU P., LEBON-LABICH B, SORLIN A, CUNY T, WERYHA G, LEHEUP B.)

Mol Genet Metab Rep. 2016 ;10:42-45

« 30 months follow-up of an early enzyme replacement therapy in a severe Morquio A patient: About one case.

(DO CAO J, WIEDEMANN A, QUINAUX T, BATTAGLIA-HSU SF, MAINARD L, FROISSART R, BONNEMAINS C, RAGOT S, LEHEUP B, JOURNEAU P, FEILLET F).

J Child Orthop 2016 ;10:499–509

« Current approaches to flexible intramedullary nailing for bone lengthening in children »

(POPKOV D, LASCOMBES P, JOURNEAU P, POPKOV A).

J Child Orthop 2016 ; 10:613–617

« Residual bone growth after lengthening procedures »

(JOURNEAU P, LASCOMBES, BARBIER D, P POPKOV D).

J Bone Miner Res. 2017 ; 32:1893-1899

« Vitamin D-Dependent Rickets Type 1B (25-Hydroxylase Deficiency): A Rare Condition or a Misdiagnosed Condition? »

(MOLIN A, WIEDEMANN A, DEMERS N, KAUFMANN M, DO CAO J, MAINARD L, DOUSSET B, JOURNEAU P, ABEGUILE G, COUDRAY N, MITTRE H, RICHARD N, WERYHA G, SORLIN A, JONES G, KOTTLER ML, FEILLET F).

Orthop Traumatol Surg Res. 2017;103:1109-1113

« Free vascularised fibular flap harvesting in children: An analysis of donor-site morbidity ».

(BARLA M, POLIRSZTOK E, PELTIE E, JOUVE JL, LEGRE R, DAUTEL G, BARBARY S, JOURNEAU P).

Clin Orthop Relat Res. 2017;475:2550-2561

« Is the Clavícula Pro Humero Technique of Value for Reconstruction After Resection of the Proximal Humerus in Children? »

(BARBIER D, DE BILLY B, GICQUEL P, BOURELLE S, JOURNEAU P)

Orthop Traumatol Surg Res. 2017;103:1115-1120

« The role of the periosteal sleeve in the reconstruction of bone defects using a non-vascularised fibula graft in the pediatric population. »

(STEIGER CN, JOURNEAU P, LASCOMBES P).

[Bone Joint J](#). 2018;100-B:542-548.

« Spinal infections in children ».

(DAYER R, ALZHRANI MM, SARAN N, OUELLET JA, JOURNEAU P, TABARD-FOUGERE A, MARTINEZ-ÁLVAREZ S, CERONID).

[J Pediatr Orthop B](#). 2018 Dec 13

« Bone maturation of MRI residual developmental dysplasia of the hip with discrepancy between osseous and cartilaginous acetabular index. »

(WALBRON P, MÜLLER F, MAINARD-SIMARD L, LUC A, JOURNEAU P.)

Eur J Pediatr. 2019;178:593-603

« [Growth impairment and limited range of joint motion in children should raise suspicion of an attenuated form of mucopolysaccharidosis: expert opinion.](#) »

(GUFFON N, JOURNEAU P, BRASSIER A, LEGER J, CHEVALLIER B.)

[Orthop Traumatol Surg Res](#). 2019 ; 105:551-556

« Intra-medullary osteosclerosis of the tibia in children ».

D. BARBIER , JOURNEAU P, LASCOMBES P, DOHIN B, COTTALORDA J, J. SALES DE GAUZY

Interdisciplinary Neurosurgery 2019 ; 16 : 135-138

« [Aneurysmal bone cyst of thoracic vertebrae in a young asymptomatic boy with spinal cord compression. Successful treatment by percutaneous approach with PMMA-cement](#) »

(TONNELET R, GORY B, LIAO L, DERELLE A-L, MAINARD-SIMARD L, JOURNEAU P, PLANEL S, ANXIONNAT R, BRACARD S, BRAUN M)

Orthop Traumatol Surg Res. 2020 ;106:S171-S180

“[Update on guided growth concepts around the knee in children](#)”.

(JOURNEAU P)

J Orthop. 2020 Mar 28;21:192-198. "Lower limb lengthening and deformity correction in polyostotic fibrous dysplasia using external fixation and flexible intramedullary nailing".

POPKOV A, ARANOVICH A, ANTONOV A, JOURNEAU P, LASCOMBES P, POPKOV D.

### **Teaching journals (all in french)**

EMC, Techniques chirurgicales, orthopédie-traumatologie, 2015 ; 0 : 1-12

« L'embrochage centro-médullaire élastique stable »

(M. ASLAN, P.LASCOMBES, D. POPKOV, P.JOURNEAU)

EMC, Appareil locomoteur, 2017 ; 12 : 1-12 (Article 15-890-A10)

« Malformations congénitales du rachis »

(R. DAYER, P.JOURNEAU, P.LASCOMBES)

### **Chapters of books**

"Influence of Lengthening on the Residual Limb Growth"

in "Combined Stimulating Methods of Reconstructive Surgery in Pediatric Orthopedics" by D.

Popkov, Nova Science Publishers,

Pediatric Orthopedic Surgery Dept, Nancy University Hospital Center, Children's Hospital,

Vandoeuvre, France, and others) pp.63-80

(P. JOURNEAU, P. LASCOMBES, D. POPKOV)

« Dépistage des anomalies orthopédiques »

(P. JOURNEAU, F. MULLER, S. MEZZINE, M. ASLAN)

In Réussir l'ECN « Pédiatrie, chirurgie pédiatrique, néonatalogie » : Ellipse édition Marketing SA.

2015. p 64-73 (**in french**)

« Boiteries et troubles de la marche chez l'enfant »

(M. ASLAN, S. MEZZINE, F. MULLER, P. JOURNEAU)

In Réussir l'ECN « Pédiatrie, chirurgie pédiatrique, néonatalogie » : Ellipse édition Marketing SA.

2015. p 747-756 (**in french**)
